## NEW YORK STATE

## FALL 1991

The data summaries contained in this report were obtained from the 1991-92 Higher Education Data System (HEDS) Survey form IPEDS-EF,"Enrollment by Racial/Ethnic Status, Fall 1991." Enrollment figures in this report may vary slightly from official enrollment data published in "College and University Admissions and Enrollment, Fall 1991."

The data reported by some independent and proprietary institutions as "unknown racial/ethnic status" are displayed separately, with racial distributions based only on the portion of data for which race was known. In contrast, "unknowns" for all CUNY, as well as some independent and proprietary institutions, have been prorated into racial/ethnic categories based on the known racial distribution.
